

IQRA ACADEMY ADMISSIONS POLICY

Any one among you who does not become efficient in religious jurisprudence *The Holy Prophet of Allah (S.A.W.) has said: "Attainment of knowledge is a must for every Muslim."*

1 *Introduction*

The Iqra Academy applies the regulations on admissions fairly and equally to all those who wish to attend this school.

We welcome our duties under the Equality Act 2010 to eliminate discrimination, advance equality of opportunity and foster good relations.

We see all Students and potential Students and their parents, as of equal value in respect of the protected characteristics named in the Equality Act; disability, ethnicity, gender (including issues of transgender, and of maternity and pregnancy), religion and belief, and sexual identity.

Please refer to Equality policy for more details

2 *Aims and objectives*

2.1 We are an inclusive school that welcomes Students from all religions, backgrounds and cultures provided they respect the Islamic ethos of the school as stated in the mission statement.

2.2 All applications will be treated on merit and in a sensitive manner.

2.3 The standard number for the School is 205, so the main restriction we place on entry is that of number. If the number of pupils applying for entry exceeds the places available, we enforce the procedure set out below in order to determine whether a pupil is accepted or not.

3 *How parents can apply for their daughter to be admitted to our school*

3.1 As our school is an independent school, the school determines the admission arrangements in agreement with the CEO/Governing Board.

- 3.2 Students enter school in the academic year seven. Students are admitted mainly in the first week in September. However, admissions may be made during the year, provided there are places available. Therefore, parents who would like their daughter to be admitted to this school during the year should either contact the school office for registration information or obtain it from the school website and complete the necessary application form as soon as possible.
- 3.3 Priority is given to siblings of pupils already in the school, for whom a fee discount is given. Further information related to admissions Criteria/Over subscription criteria and Appeals can be obtained from school office.

4 *The standard number*

The standard number for our school is 205. We keep this number under review and the CEO/Governing Board will apply to change the number if circumstances allow.

5 *Special Educational Needs*

Admission Arrangements

The school endeavours to provide appropriate support for pupils with a range of learning difficulties when it is reasonable to do so. Hence, each application will be treated on its own merits.
