Aims of our Student Leadership programme –

- To empower students to work in partnership with staff towards shared goals.
- To enable creativity to flourish as the school community benefits from the wealth of experiences, ideas, skills and sense of fun that students bring.
- To provide opportunities for students to develop leadership skills through a variety of inspiring, challenging and valued projects which impact positively on learning, teaching and well-being for both students and staff at Iqra Academy.
- To prepare students for Higher Education and for achieving personal and professional excellence in life after formal education.

The Student Leadership team will act on the Schools behalf at all times.

We wish them all well and I am sure that they will lead Iqra Academy onto an even better future, Inshallah !
